FOREWORD

The organisers would like to welcome you to the 2019 GEG Promenade Stages Rally, the 39th running of the event here at New Brighton.

We are delighted that Garage Equipment Group has agreed to continue its sponsorship of the event and we are indebted to Carl Allenson and the group for their generous support. We look forward to working with them again.

This year we welcome the Clatterbridge Cancer Charity as our nominated charity and also extend our thanks to the 265th Prenton Scout Group who have agreed to manage the spectator car parking.

We will be adopting our usual format of running two stages on the Friday night, one in the light and the second under floodlights, followed by a further ten stages on Saturday.

Due to its popularity in previous years, the service area will be hosting an extensive Rally Village and therefore, as space is limited, unless you book in an additional vehicle, as allowed for on the entry form, you will be restricted to one service vehicle. Also please make sure that you and your service crew are fully familiar with the service area requirements which we have published on the web site, and make sure that all your supporters follow the no smoking restriction within the service area.

In 2014 the rally was crowned Wirral Tourism Event of the Year, something we are very proud of, and something that all of our current and past organisers, marshals and competitors and their families and supporters helped us to achieve, and we thank you and them for all the support we have received over the years.

The cost of putting on this event increases year on year and so we would appreciate your help by asking your supporters to use the car parks rather than try to force their way in to the service area or park outside the venue.

As ever we ask you to respect the local residents; we are extremely grateful for their support which is fundamental to the continued running of this event.

The organising team would like to wish you a successful, safe and enjoyable event and we look forward to seeing you in September.
